PRINT NAME:

To minimize your time in our office, please complete all paperwork online, in advance of your visit.

The office is doing everything possible to deliver exceptional eyecare to our patients, in an environment that is safe for everyone. We greatly appreciate your cooperation and understanding as we adjust to this new normal. By working together, we can reduce the risk of infection to you, our office staff, and the entire community.

---

#### WHAT TO EXPECT ON THE DAY OF YOUR APPOINTMENT

- Patient and employee screening upon entrance, including a temperature check.
- Appropriate protective equipment worn by our staff
- Thorough cleaning and disinfecting of equipment after each use
- Frequent and routine disinfecting of the entire facility
- Staggered entry to our offices to prevent crowding (You may be asked to wait outside, until the doctor is ready to see you.)
- To maximize social distancing, we will see far fewer patients each day

#### ONCE YOU ENTER THE OFFICE:

- Sanitize your hands
- Wear a face mask or covering and keep it on for the duration of your visit
- Observe proper social distancing guidelines

Unless required for caregiving, all patient companions should wait outside the facility. Patient companions allowed inside the office must arrive wearing a face mask.
